OUR STORY

Situated in the lovely Suffolks area of Cheltenham, ReVamp has become a destination shop for hunting out lovely designer bargains, cheap couture and quality conventional brands, along high street labels.

ReVamp opened its doors back in May 2009. Since then, we have been welcoming clients and customers wishing to sell and purchase great second hand and preloved clothes and accessories.

Our aim is to keep great quality items in circulation, leaning away from 'throwaway' fashion.

The ReVamp team are all experienced retailers, having worked together in shops for 20 years! We enjoy the fast pace of the business, we enjoy the lovely items we sell and we enjoy our clients and customers!

FILL A BAG FOR A FIVER

These charity events started as an extension event during The Suffolks Street Markets. Hugely popular, well supported and creating a win-win for everyone involved!

The event soon outgrew the space of the pavement during the market, and having to do a couple of swift pack ups during stormy weather, we decided to dedicate the shelter of the shop 3-4 times a year to fundraising.

A updated rummage sale, customers purchase a bag at the door, and are then free to fill the bag with any items in the store... it's great fun, but not for the faint hearted!

Generally held at the end of each season Fill a Bag for £5 has a great following!
